

SINCE 1985

IN BREAK MODE

www.challenger-motorhomes.com

40 YEARS OF TECHNICAL EXPERTISE, PEACE OF MIND AND USER FRIENDLINESS:

CHALLENGER, THE ADVENTURE OF A BRAND WHICH HAS BROUGHT MOTORHOMES TO A WIDER PUBLIC.

40 years ago, a group of devotees decided to pursue a dream: **create a well-equipped motorhome at an affordable price.**

Right from the outset, we have been committed to offering our customers **reliable, safe and innovative vehicles, and providing them with the latest technological and technical advances.**

Bringing together technical expertise, peace of mind, user-friendliness and innovation, **CHALLENGER has reimaged the art of motorhome travel.**

Yet beyond mere technical performance, our ergonomic design and high-quality materials enable us to **create genuine living spaces where it is real joy to relax, recuperate and reconnect to the natural environment.**

Together, we have already come a long way, and many of you have flown the flag for us.

To mark this anniversary, **while retaining the DNA which has been the brand's strength, CHALLENGER is assuming a new graphic identity** (changed logo and body design)...but more than that...**with a complete new range of vehicles** (from van to A-class), **as well as new models unique on the market!**

How about taking **a break with CHALLENGER?**

CHALLENGER is a subsidiary of the Trigano Group: Europe's number 1 in recreational vehicles.

Take your lead from Hertz, the world's no.1 rental company, in choosing CHALLENGER!

For the French market only (France only)

A HISTORY BREAK

40 years of history in 10 key dates

1985

Creation of the CHALLENGER brand
in Tournon-sur-Rhône, Ardèche - FRANCE
with 2 overcabs.

1990

CHALLENGER invented the vehicle that would revolutionise the market:
a low profile under 6 m, ideal
for 2, with dining nook and permanent bed.

1992

A new philosophy:
Nothing superfluous!
Prioritise functionality!
Find the perfect balance
between equipment and price!

1995

2 entry-level overcabs launched,
thereby opening up the
French motorhome market to a larger
number of customers
with the slogan: **"The motorhome is a
privilege reserved for everyone!"**

2000

**1st low profile with front
fold-down bed and
rear bunk beds.**

2005

Launch of the GENESIS range with the overcab 43 and low profile 36 for spring.

They proved such a hit that the stock was sold out within a few weeks.

Genesis 43

2009

PRIUM: 1st compact low profile (5.99 m) offering both a central kitchen, a double fold-down bed and a huge bathroom.

Highly decorated, including the renowned "European Innovation Award"

2014

Unique on the market, the GRAPHITE 290 offers simultaneously a maxi lounge, a large bathroom, a wardrobe and multi-purpose garage. **An instant best-seller, this model would be modified to 6.99 m (CHALLENGER 260), and remains to this day the best-selling model in our HISTORY.**

Check it out on P. 30

2021

On 21 January 2021, CHALLENGER caused a sensation with the creation of "X", a unique product on the market, combining the best of the motorhome (comfort) with the best of the van (agility).

The X150: 1200 vehicles sold within a few months.

Challenger

2025

LOOKING TO THE FUTURE...

AN IDENTITY BREAK

We are changing our visual identity,
but CHALLENGER's values still remain the same

The "C" in CHALLENGER.
Unless you can see an
opening to the world?

The 2 "Ls" in CHALLENGER
and/or a roadway.
Unless you can see
the break sign?

Challenger

A new dynamic and
hard-hitting typography

HAVE A BREAK

Time for reflection is a way of saving time.

When you take a break, **it means that you need to think, and sort out your ideas.**

In a relay race, **there comes a point when you have to hand over the baton.**

Similarly, there are moments in life
when one generation pass the baton to another.

- Albert Camus

←
Check out
the low
profiles
on **P. 36**

For its 40th anniversary, CHALLENGER is introducing a change of identity **to better reflect its fundamental values: adventure, freedom and innovation.**

CHALLENGER aspires to greater consistency between its image, products and actions.

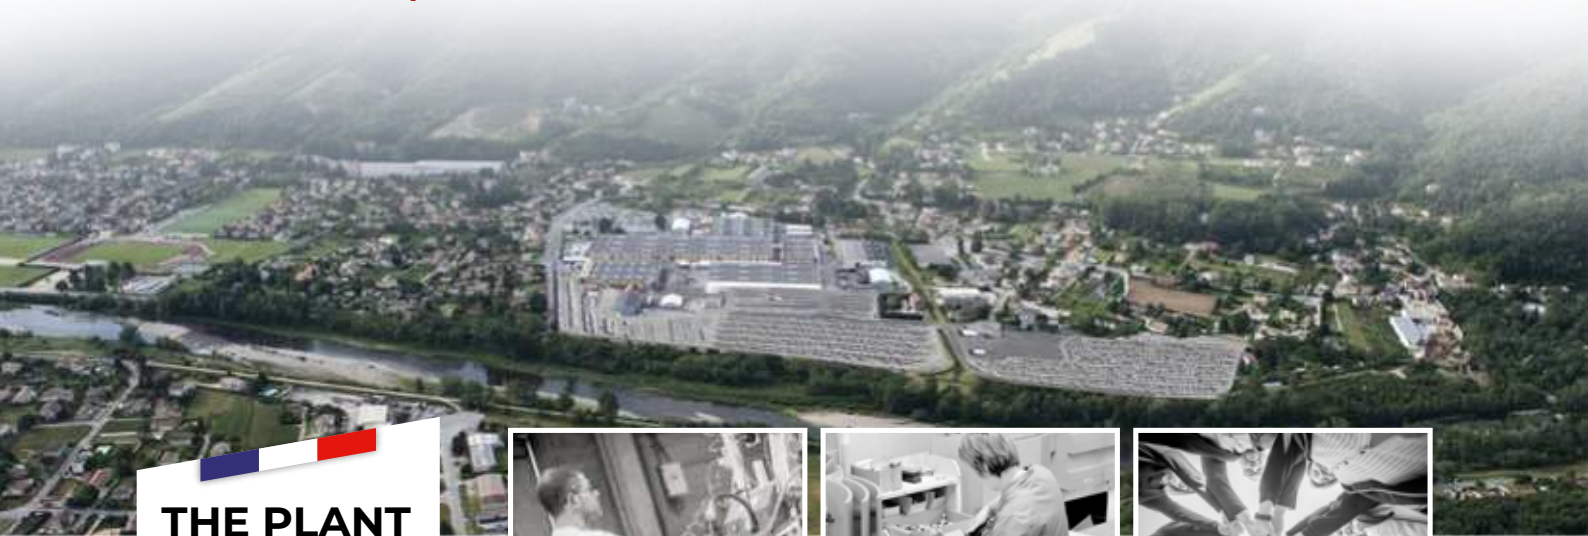

INTEGRITY & INNOVATION

are the watchwords **for each and every one of us in our projects.**

A REFLECTIVE BREAK

Choose a CHALLENGER!

1 FOR ITS **UNIQUE KNOW-HOW**

THE PLANT

MADE IN FRANCE

Surrounded by the vineyards of the Rhône Alpes, the main manufacturing site at Tournon-sur-Rhône (Ardèche) is one of the largest in Europe, covering 200,000 m², or 33 football fields.

1000

EMPLOYEES

Multiple different professions: carpenters, electricians, decorators, engineers, etc.

8500

MOTORHOMES & VANS

sold by Trigano VDL during a single season.

CAMPUS

TRIGANO

This is the place where the dealership personnel are trained; school attached to the plant.

2 FOR ITS **ESSENTIAL FEATURES**

REINFORCED AUTONOMY

Option of adding solar panels, a second battery and +/- 100L water capacity

WEIGHT SAVING, MORE TIME, MORE COMFORT

Vehicle fuel heating, usable on the road

AN EASY-TO-USE TECHNICAL AREA

All-in-one Technibox

EASY STORAGE WHILE SAVING SPACE

Garages with heating and lighting, equipped with electrical sockets and 2 access doors

(except X Series)

OPTIMISED WATER FLOW

Thanks to the shower tray with double drain

3 FOR AN ALL-SEASON VEHICLE

IRP STRUCTURE

Better **Insulation**
 Better **Resistance**
 Better **Protection**

Whatever the finish level, the structure of our living areas adheres to the same high quality standard.

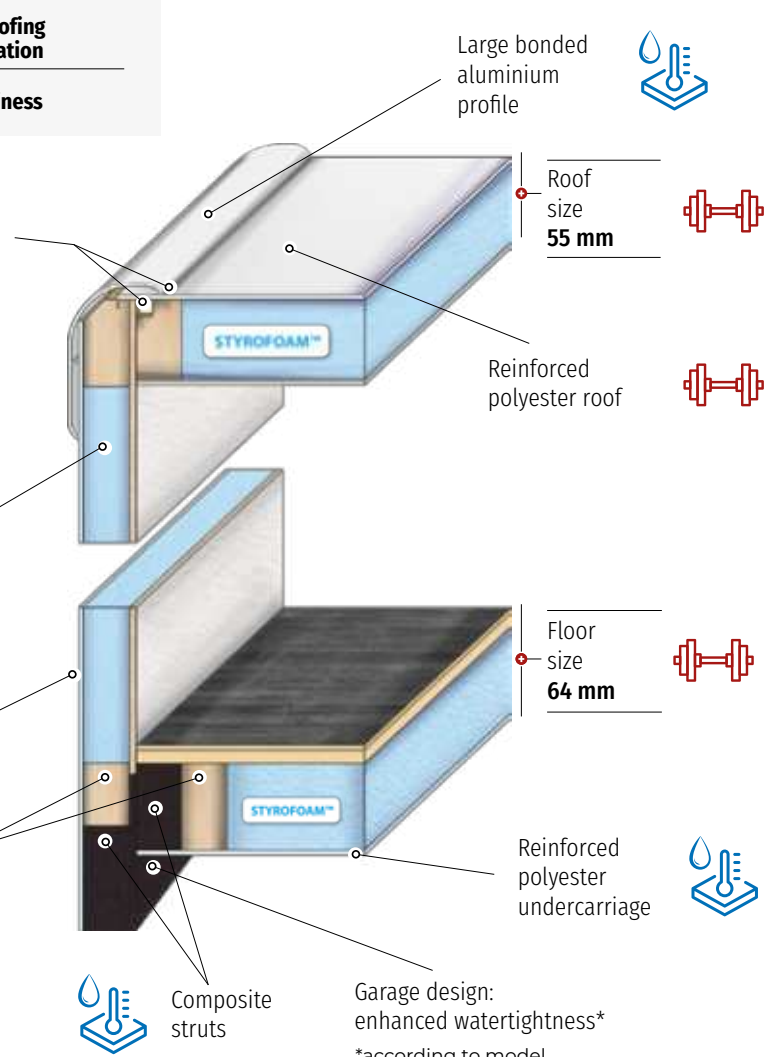

Note: by virtue of its particular shape, the roof on our overcabs and slim low profiles comes with a specific technology, with 35 mm thickness and EPS insulation.

Waterproofing and insulation
Sturdiness

Sealing mastic for the veneer joints

Polyester skin

GRADE 3

Market-leading insulation certified by a standard

Standard EN1646-1 is unquestionable: To be awarded its highest level (Grade 3), it needs to be proven that, at an outdoor temperature of -15°C, the temperature inside the vehicle is able to reach +20°C within 4 hours.

Our tests have proven it; both our low profiles and overcabs* are designed **to endure harsh winters and temper the summer heat.**

Of course, in the case of exceptionally cold weather, external thermal blinds for the cabin should be used (offered as an optional extra).

*Overcabs with heating > 5.5 kW

See the video of the test at www.youtube.com/challengercampingcar

7-YEAR WATER INGRESS GUARANTEE

Subject to an annual inspection by an approved network member.

AN INNOVATION BREAK

A very smart concept combining comfort, aesthetics and functionality.
The 2 ISOFIX-certified benches can quickly be transformed into comfortable seats for road travel.

Easier car seat installation, and adds a third anchor point for child safety.

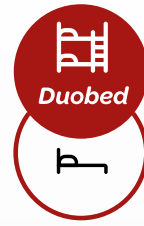

MODELS **250** **260** **270**
328 **337** **380**

MODEL **X²⁵⁰**

SMART DRESSING ROOM A TAILOR-MADE DRESSING ROOM

Adjust the wardrobe height to vary the size of the garage hold area according to your needs.

An ultra-smart concept proving that storage is no problem, even in a compact motorhome:

- **On the outside:** easily adjustable garage height to store a scooter or bikes.
- **On the inside:** multiple easily accessible storage spaces.

Adjust the wardrobe height **to vary the size of the garage hold area** according to your needs.

MODELS **328** **337**

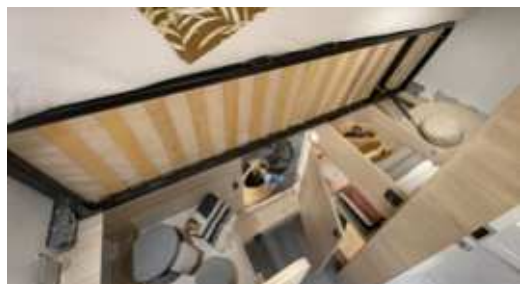

MODEL **380**

MODEL **S194**

EASY STORAGE

Foldable bed providing easy access to storage or increase the size of the garage.

MODEL

384

SLIDE & SLEEP

Vary the rear part of the vehicle:

- **At night-time:** a fixed rear single bed can be transformed into a double bed by pulling the drawer. Modular mattresses, enabling you to obtain either a King Size bed, or two independent beds.
- **During the daytime:** The drawer on the second bed folds up to make a desk and storage units with clothes rails.

T-SYSTEM

Electrically adjust the table height for an ideal setting.

The T-system is perfect when you lower the fold-down bed.

The space becomes modular thanks to the discreet and smart Tulip table. A CHALLENGER signed innovation.

A BASE VEHICLE BREAK

At CHALLENGER, we have opted to employ benchmark brands, with a chassis specifically designed for motorhomes and an After-Sales network specially equipped and trained for the leisure market.

NEW

FORD and CHALLENGER have a partnership going back more than 30 years.

With more than 7 million vehicles sold worldwide, the legendary Ford Transit has proven its qualities over and over.

This year, it has been given a new look, while continuing to offer as standard the best equipment/price ratio on the market.

What's new in 2025:

- New 8-speed auto gearbox*
- Improved brakes and shock absorbers
- Re-evaluated towable weights
- New wheels
- New logos
- New standard equipment:
 - SYNC 12" system
 - Driving aids: Collision warning, lane departure monitoring
 - Automatic headlights and windscreen wipers

BREAK EDITION
